

Daily Success Declaration:

I **commit** myself to the achievement of my goals and the manifestation of my potential!

I will pursue my goals with passion, self discipline, enthusiasm, and urgency for the betterment of myself, my kindred, my community, my nation, and my planet. I am capable, and I am empowered to achieve anything that my mind can conceive and believe. I **choose** to believe!

This creed I swear to uphold until my potential is realized, and my goals are achieved, so help me GOD!
